

2013

1. World Record «Pirouettissima»

The goal for the world record attempt "Pirouettissima" is to bring as many skating enthusiasts as possible on the ice. **All skaters shall perform a synchronised spin.** The world record is achieved when **all skaters together have presented a minimum of 6 simultaneous spins.**

The world record "Pirouettissima" is part of the Swiss Ice Trophy for adult skaters. Eligible to participate are all interested adult and competition skaters which can perform a spin with at least 15 turns (without inrun), independent of a participation in the "Swiss Ice Trophy".
